

Six Mile Issaqueena Festival

May 21, 2022

11am - 4pm

The Six Mile Issaqueena Festival Committee is happy to announce that the

2022 Six Mile Issaqueena Festival

is currently scheduled to be held on

May 21, 2021 from **11am until 4pm.**

In addition to the free entertainment provided during the festival on the main street stage, an open-air concert will be held at the **Farmer's Depot** featuring **Under The Sun** from **4pm until 7pm.**

This year we are working with a local radio station and newspaper to promote the festival. Tune in to WCCP 105.5 The Roar and keep an ear out!

We are also selling space for a festival **advertising brochure**. That form has been included to give you the opportunity as well!

We are continually monitoring conditions around the pandemic.

SC DHEC has various guidelines published on their website:

<https://scdhec.gov/covid19>

Thank you in advance for being a responsible and respectful participant!

Be sure to check the Six Mile Issaqueena Festival Facebook page for updates.

Six Mile Issaqueena Festival

May 21, 2022

11am - 4pm

Vendor Fees

Vendors who reserve a space **prior to May 1**, may do so for **\$35.00/\$50.00** for Food Vendors (after May 1, the cost will be \$45.00/\$60.00 for Food Vendors). Due to the number of vendors competing for spaces, we are encouraging you to send your application early. Submission of your application does **NOT** guarantee your acceptance into the festival.

We ask that you please follow these rules:

Vendors may set up any time after 9:00 am on May 21. All vehicles must be moved to the designated vendor parking area by 11:00 am.

At the conclusion of the festival, all vehicles must be out of the vending area by 5:00 pm on May 21.

The festival will **NOT** be cancelled for bad weather. There are no refunds due to weather.

Vendors that are **NOT** on site by 11:00 am will **NOT** be allowed to set up and refunds will **NOT** be provided.

Priority is given to repeat vendors who have a positive relationship with the festival.

Each rented space is approx. 15 ft x 15 ft. You may rent more than one space. The festival reserves the right to site and assign spaces to all vendors.

Booths will be set up on pavement. Each vendor must provide his or her own tent, table, chair(s), and electrical drop cord (if power is required.) Specify if you need assistance with set up. Due to the location of the festival, a tent is recommended.

Limited electrical and water hookups are available upon request.

To help our vendors be successful the Festival Committee tries hard to prevent duplication of products sold by our vendors. To meet this goal we ask that you be specific in the type of product that you will be selling. You are required to notify the committee if the type of vending changes from your initial application or discussion with a member of the committee. The Festival Committee reserves the right to reject any changes if approval has already been granted for that same type of product with another vendor (food, crafts, etc.).

Each vendor is responsible for the security of his or her concession booth, merchandise and vehicles. Officers from the Pickens County Sherriff's office will patrol the area occasionally; however, security is your responsibility.

The Festival Committee reserves the right to reject any controversial vending. Alcohol and yard sales will **NOT** be permitted.

You are responsible for collecting and reporting South Carolina sales tax.

Violation of these rules may result in removal from the festival and denial of future participation in this event.

Please return the enclosed form, along with your payment, to reserve a space. You will receive confirmation of your request. **For questions, comments or additional information, please contact:** issaqueenafestival@sixmilesc.org Six Mile Town Hall at (864) 868-2653 or Amy Goodin at (864) 506-0340
